The English language is a European language that is very important in today's world, whether you are a tourist or a citizen of the USA or UK. Speaking English will help you to travel and do business all around the world. Enjoy using this free e-book and MP3 audio download. If you are learning English, you know that to learn this language, you first must understand the foundation of English. Every other sentence that you will hear in the language contains the root word "to be". You can choose to use these root words in your sentences to emphasize the meaning that you want to express. For instance, let's say you want to say, "This is a car" or "This is my car" in English. You would use the following structure "This is the car." You would stress "the" to emphasize the difference between the two words that you are using in the sentence. In other words, "to be" is the foundation of English and is an important key to understanding the language. Learn the English root word "to be" with these free e-book and

MP3 audio download. This e-book will be sent to your email. We all understand the English language, no matter where in the world we come from. It's something that we're born with.
